Gain personal healing and bring in abundance with
Shamanic Healer PaLiChi

Description: (All levels are welcomed)

July 17th from 7-9pm *Monetary sacrifice:* \$75/pp

Sometimes we may not be naturally born with a “good hand” in our financial area or have accessible abundance in other life areas. We may need to reach out further, get rid of procrastinating habits, or work harder to try and reap a “good hand” so our abundance area can come into fruition.

This meditation class will consist of an interactive discussion, mini gallery reading, healing and learning how to gain a hold of abundance using a combination of meditation with gentle movement FaLiThi Chi energy exercises and utilization of affirmation in a personal or group level. This course allows you to gain an extra boosts into your current personal, business, or spiritual situations as well as finding a more “clear seeing” focus, and becoming more aware of your spiritual gifts and abilities for self-improvement purposes into the future. You will be able to take home a self-healing way meditation to use in bring your own abundance at will.
